

## How Can You Benefit From SmartPay?

SmartPay is a simple no credit required leasing option that allows your customers to shop for the top-rated phones and accessories that they really want with payments that fit their budget. But, how does that affect you. The flexibility that SmartPay offers customers by breaking payments down into 11 total payments, allows customers to expand their budget and improve your average ticket amount. Lead with leasing and watch your sales numbers and commission grow.

### Drive Sales

Drive sales of top rated phones and accessories.

### Expand Customer's Budget

With approval amounts up to \$1,500, customers can get the phone and accessories they want for one low monthly payment.

### Improve Your Average Ticket Sale

- Without SmartPay | \$125 average sale
- With SmartPay | \$500 - \$600 average sale

### Increase Customer Retention

X% of SmartPay customers reach their 9th monthly payment. With SmartPay you can improve your customer retention and your overall commission
