

How Can You Benefit From SmartPay?

SmartPay is a simple no credit required lease-to-own option that allows your customers to shop for the top-rated phones and accessories that they really want with payments that fit their budget. But, how does that affect you? SmartPay offers customers flexibility by breaking the high costs of phones & accessories into 15 total lease payments. Customers can expand their budget & improve your average ticket amount. Lead with SmartPay and watch your sales numbers and commission grow.

Drive Transactions

Drive transactions of top rated phones, accessories, BTN and VAS.

Expand Customer's Budget

With approval amounts from \$200 to \$1,500, customers can get the phone and accessories they want for one monthly payment.

Increase You Box & Accessory Revenue

- Without SmartPay | \$130 average transaction
- With SmartPay | \$500 - \$600 average transaction

Increase Customer Retention

SmartPay customers typically have a 75% to 90% 3MR and 6MR. With SmartPay you can improve your customer retention and your overall commission.
