

SMARTPAY®

How to open an existing SmartPay application.

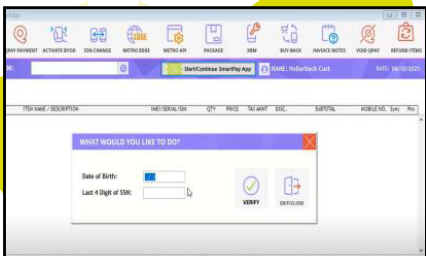

(Pick up where you left off!)

If a customer has applied in the past or has a SmartPay pre-approval number, you can easily look up their account and complete their SmartPay transaction. Follow these simple steps:

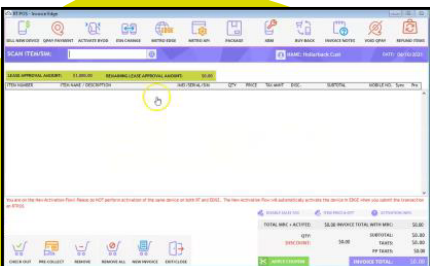

STEP 1

In RTPOS select the "Start/Continue SmartPay App" button and choose "Continue SmartPay Application."

STEP 2

Enter the customer's date of birth and last 4 digits of their SSN.

STEP 3

If approved, RTPOS will display the customer's SmartPay approval amount and the customer can complete their transaction.
